

Thank you for using the Pixie List!

This site is a great way for volunteers and community members to support Girl Scouting. Use the information below when using this site:

- Create your ad with positive, compelling words and phrases to explain your opportunity or need
- Be sure to include your location, time constraints, appropriate age levels and any associated costs
- Refrain from Girl Scout specific jargon or abbreviations (Journeys, try-its, GSLE)
- Be specific; refrain from only asking for general job titles like "Troop Leader."
- Be detailed about duties and logistics
- Notify pixielistwatchdog@gscnc.org when your ad should be removed

Safety Tips

- Troop Leaders and Advisors are responsible for reviewing safety guidelines in *Volunteer Essentials*, before they leave their meeting site. Even then, they continue to be the "adult in charge"
- Knowledge of Girl Scout policies is not required to post or reply to offerings on the Pixie List
- Refrain from posting detailed personal information such as home addresses and phone numbers
- When meeting with new volunteers or exchanging materials, meet during the day in a public place
- Report any concerns or violations to pixielistwatchdog@gscnc.org

Strong Examples

#1: 9 teen girls are looking for an adult to help them explore new topics and develop community leadership skills. Girls meet 7-9pm every Monday and Wednesday in the City of Winchester, VA. We would like the adult(s) to be willing to help out 1 night a week for 1-2 hours. Come with your own ideas or borrow our ready-to-go activities!

#2: Junior Badge Cooking Workshop on Saturday, Jan 15, 2011 from 1:00-3:00 PM at GS Camp Crowell's New Lodge in Oakton VA. "Cook your way around the world as you explore New Year's traditions from all across the globe. Learn about other ways to celebrate as you enjoy new customs and new foods." The activities will meet the requirements of the World Neighbors Junior Badge, and the badge is included. Cost is \$17 per girl and is sponsored by Ambassador Troop 5074 as a money earning event.
